FEDERAL ARREST AN EXAMINATION

Washingtonian Charged
With Robbing Slot Ma-
chines on Trenton.

WASHINGTON TIMES BUREAU.
ALEXANDRIA, VA., JULY 4.
James Morrison, giving his residence as Washington, was arrested by Police-
man Jones yesterday on the charge of
robbing two slot machines on the
steamer Trenton. The offense being
committed on the Potomac river, the
prisoner was turned over to United
States Marshal Joseph F. Glover, who
this morning took Morrison before
United States Commissioner R. W. P.
Garnett. Morrison pleaded not guilty,
and Commissioner Garnett fixed his
trial for next Saturday morning at 11
o'clock. He was committed to jail until
that time. When arrested, Morrison
had \$1 cents in change, a pocket knife,
and a pistol on him. He is charged in
the warrant with maliciously stealing
money and cigars from two slot ma-
chines on the steamer Trenton.

Mrs. Mary Johnson, widow of George
Johnson, died at her home, 402 South
Alfred street, yesterday evening. Mrs.
Johnson was born in Burlington, N. J.,
and was sixty-nine years of age. Her
funeral will be held tomorrow after-
noon, and the burial will be made in
Bethel Cemetery.

Mary Magruder, the mother of John
Magruder, employed by B. Wheatley,
undertaker, died at her home, in Gil-
bons street, this morning. She was a
highly respected old colored woman.

The Fourth of July is being celebrated
in this city with less explosion of fire
crackers than usual. This is thought
to have been caused by Mayor Paff's
order that the use of cannon crackers
and pistols was to be prohibited. The
police have been unusually diligent in
enforcing this law. The banks and
city offices closed all day and the post-
office kept Sunday hours. Most of the
stores closed this afternoon. Many per-
sons spent the day in the country,
while many went to the nearby excu-
sion resorts.

F. G. Walker, Mayor of Colonial
Beach, and Miss Hannah May Gorman,
of 104 Twenty-second street northwest,
Washington, were quietly married at
the parsonage of St. Mary's Church in
this city by the Rev. Father Lawrence
Kelly last evening. The bride is the
daughter of Terence J. Gorman, of
Washington, and the groom is Mayor of
Colonial Beach. The witnesses to the
wedding were W. J. Rammell of this
city and Clarence F. Rome of Washing-
ton.

The picnic given at Fairfax Station
under the auspices of St. Mary's Catho-
lic Church of that place, to-day, was
attended by many persons from this
city.

The members of the Alexandria Golf
Club will give a dance at the clubhouse,
on Shooter's Hill, next Saturday even-
ing.

The members of the Reliance Fire
Engine Company left Alexandria yester-
day evening for Front Royal to take
part in the reel races there to-day. De-
legations from the Columbia Fire En-
gine Company and the Belle Hook and
Ladder Company went to Front Royal
to-day.

In the Corporation Court, Judge Louis
C. Sarley, presiding yesterday, the fol-
lowing business was transacted:
A decree of divorce was granted in the
case of Laura A. Sarey vs. Edward P.
Sarey, on the grounds of desertion.
Mrs. Sarey was given possession of the
child.

BODY OF WRITER HERE FOR BURIAL

The body of William Madison Mason,
who died in New York City yesterday,
will arrive in this city this afternoon
and the funeral will be held tomorrow
and the funeral will be held tomorrow.

The body was shipped to Washington
this morning, and will arrive at 3:45
this afternoon. It is being accompanied
by Mrs. Mason, her mother, Mrs. M. V.
Elliott, Mr. and Mrs. Fred L. Buckle-
well, of Jamesburg, N. J., Mrs. Buckle-
well being Mrs. Mason's sister, and by
Mr. Mason's brother, Victor L. Mason,
and the latter's wife. The funeral ser-
vice will be held at the home of Mrs.
Elliott, 1835 Calvert street.

Details for the funeral will not be
made till this afternoon. There will
be six pall-bearers, among them being
Charles Allen, Dr. Henry R. Elliott,
Albert Patchen and Jack S. Elliott.
Mr. Mason's body came as a distinct
shock to his large circle of friends in
Washington, particularly among the
newspapermen and army and navy offi-
cers. Mr. Mason was a well-known
writer on army and navy subjects and
for seven years he was stationed in the
State, War and Navy Departments.
It was thought that he had entirely
recovered from the illness he suffered
in this city in April, and he assumed
his duties as assistant to General Man-
gum Schrab, of the North German
Lloyd Steamship Company, early in
May. Within two weeks he suffered a
relapse, and his ailment then was di-
agnosed as palsy meningitis.

Mr. Mason was married to Miss El-
liott, a daughter of the late John El-
liott, by Alex. Mason, of the Treasury De-
partment. He was married but little more
than a year ago to Miss Nellie Elliott.

GAELIC LEAGUE HEARS IRISH SONGS AND TALES

The Gaelic League of Washington
closed its season by an entertainment
in which all the members participated.
In Irish rendered. Mrs. Sweetnam sang
in Irish rendered. "Erin, the Fair" with much applause,
and Mr. Flynn, the president, sang "The
Pretty Maid Milking the Cows," in Irish
—"An Ceitin Dear Cruithne na Bo."

Mr. P. J. Byrne spoke earnestly of the
welfare of the league, and of the possi-
bility of increasing its membership.
Dr. Jeffrey C. O'Connell de-
scribed the Kerry piper, "The Minstrel
of the Lakes," at the banquet given in
1887 in Killarney, by the Kerry peas-
antry, in honor of Thomas Francis
Meagher, afterward the famous general
of the Irish Brigade, who led the charge
before the crimson stone wall at Fred-
ricksburg.

STEEL INDUSTRY GROWS RAPIDLY

Census Report Shows 60
Per Cent Increase in Cap-
ital in Five Years.

The Census Bureau today issued a
bulletin giving some interesting statis-
tics concerning the iron and steel in-
dustry and of the tin and terne plate
industry for 1905. The reports were pre-
pared by Story B. Ladd under the su-
pervision of William M. Stewart.

Since 1900 the number of iron and steel
establishments has decreased from 499
to 95. At the same time capital in-
creased from \$39,530,484 to \$48,959,440;
the average number of wage-earners,
from 2,697 to 24,740; wages, from \$126,
\$36,338 to \$141,438,996; the cost of material
used, from \$122,431,701 to \$209,771,831;
and the value of products, from \$804,
61,918 to \$86,554,112. The tonnage pro-
duced in 1905 was 34,844,933, an increase
of 18.1 per cent since 1900.

The number of active steel works and
rolling mills for which separate reports
were received was 415, a decrease of
23 from the number in 1900. The capital
invested in these establishments was
\$709,130,448, an increase of 93.5 per cent
since 1900. The amount invested in iron
establishments was \$21,247,646. Pennsy-
vania continues to produce more than
one-half of the cast steel and rolled iron
and steel products, its output constitut-
ing 54 per cent of the total value, com-
pared with 55.7 per cent in 1900.

WILL NOT ELOPE FOR TWO YEARS

In Consideration Father
Promises Daughter May
Wed Then.

LARNED, Kan., July 4.—In considera-
tion for J. A. Moran refraining for two
years from trying to elope with Miss
Stella Roberts, George W. Roberts, a
Pawnee county farmer, father, has
signed an agreement promising to give
him the girl in marriage at the end of
that time.

This queer contract is the sequel of
a several days' fight between Miss
Roberts is not yet quite fifteen years
old. Moran is less than twenty.
Miss Roberts slipped out of the house
at night and met Moran in a grove a
quarter of a mile away. The two drove
to Macksville, returned their livery
team and then got a man to drive them
to St. Charles. From there they took a
train to Morgan's home in Carthage, Mo.

Moran was arrested in Carthage on an
abduction charge before he could
get a marriage license, and readily
agreed to return to Kansas.

CANADIAN CONSUL REPORTS ON NEW DRUG LAW

Consul H. A. Conant, of Windsor,
reports that the Ontario College of Phar-
macy believes it has hit upon a solu-
tion of the difficulty in preventing per-
sons from securing carbolic acid in
drug stores for the purpose of self-de-
struction. A resolution was adopted
asking the government to pass a law
prohibiting the sale of carbolic acid in
any stronger solution than 5 per cent,
except it be with a prescription from a
duly qualified practitioner.
